 * Denotes seasonal Car Park - Charges on these Car Parks apply on all days from 1 March to 31 October each year.

Ample free **parking** can be found on West Cliff (The area above the cottage) and you may find it convenient to leave your vehicle there for longer periods. Please note, our Parking Warden/s are very keen, so after you have unloaded or loaded your car, please make sure you move it off the yellow lines.

If you cannot find any free **parking**, car passes can be obtained from the Tourist Information Centre on Langbourne Road, Nr. Station Square, **Whitby**. Shown on the map 'I'.

Please note:

If you buy a pass, say for 2 days, the pass is ALSO VALID on the day of issue, FREE.

e.g. a 2 day pass bought on Monday, for Tuesday & Wednesday, would be valid for the whole 3 days.

Buying passes for the shorter duration is therefore the cheapest way to park in the 'Pay & Display' car parks.

Parking Permit prices are as follows:
2 day pass = £10.00
3 day pass = £15.00
4 day pass = £20.00
5 day pass = £25.00
6 day pass = £30.00
7 day pass = £35.00

We hope this information is helpful.
